**ORDER**

This matter comes on the Court's own motion to consolidate the appeals in docket numbers 2014-CP-00583-COA, 2014-CP-00594-COA, and 2014-CP-00605-COA. On April 1, 2014, Bobby Joe Pinkney filed three motions for post-conviction relief (PCR) in the Hinds County Circuit Court. His three PCR motions were designated as cause numbers 252-14-13, 252-14-14, and 252-14-15. The circuit court summarily denied all three PCR motions on

April 14, 2014. Pinkney has appealed all three decisions. Cause number 252-14-13 has been assigned docket number 2014-CP-00605-COA. Cause number 252-14-14 has been assigned docket number 2014-CP-00594-COA. And cause number 252-14-15 has been assigned docket number 2014-CP-00583-COA. Because Pinkney's three PCR motions all pertain to the same set of operative facts and a shared procedural history, the Court finds that the three appeals should be consolidated.

THEREFORE, on the Court's own motion, docket numbers 2014-CP-00583-COA, 2014-CP-00594-COA, and 2014-CP-00605-COA shall be consolidated on appeal.

SO ORDERED, this the 9<sup>th</sup> day of April, 2015.
